To Whom It May Concern:

We have just completed our ninth year of outstanding travel basketball. Gold Coast Basketball, a division of Weston Youth Basketball, is a not for profit, 501(C)(3) charitable organization, comprised of traveling/competitive program for children aged nine to seventeen years old. The WYBA/Gold Coast Basketball has become a year round program for our All-Star teams. Our All-Star teams are comprised of children from the tri-county area, as well as, Orlando and Tampa, and have competed in tournaments throughout the United States. Every year we try to improve our program and this year we have taken a big step forward. We have created an elite AAU traveling basketball 16 and under Gold Coast team. In order for our team to be successful in this upcoming basketball season, we need donations and sponsorships. Anything that you can offer us will be greatly appreciated and will benefit the players tremendously.

This AAU season, we plan on traveling across the United States to play against the top competition at AAU, NCAA, and NIKE sanctioned events. Our main goal is to get the players exposed to the top Division I coaches in the country. We have been very successful in previous seasons and we anticipate this to be the best year ever. Our teams are comprised of players with an enormous amount of potential and are already being recruited by the top Division I schools. With your help, these players can take their basketball careers to the next level and go for their hoop dreams.

Each year, Gold Coast Basketball loses top players to basketball teams sponsored by shoe companies. There is a lot of talent in South Florida and many teams and organizations make promises to players that appear never fulfilled. We produce a schedule, second to none. This year, we are excited that we have one of the top 16: U teams in the nation, featuring the top players in the tri-county area.

Each time one of our times travels out of state it cost approximately \$8,500. To make our dream a reality, we need additional funding. No amount is too small and we hope we can count you for your support. If you have any further questions regarding Gold Coast Basketball, please feel free to contact me at anytime. I would like to take this opportunity to thank you for your assistance.
